Granada did not respond to the email that was sent to them on February 9. According to Ralph Hiepp, who describes himself as an ambassador for the school, the school’s lawyers have advised that they not respond in writing. He did, however, present us with the following information:

There are 415 students in the iGranada program. The breakdown of these students is as follows:

Grade	Within Boundaries	Outside Boundaries
9th	46.61%	53.39%
10th	50%	50%
11th	80.6%	19.4%
12th	72.22%	27.78%

**Economic Breakdown:**

48.43% Low Income  
51.57% Above

**Ethnicity**

20% Asian  
5% Black

44% Hispanic  
27% Caucasian  
3% Not Stated

10.36% of the students have an IEP.

Transferring is done on a First In First Out basis. No waiting list is kept.

The committee thanks Mr. Hiepp for providing the information. However, a concern was expressed that the school had not validated the data.

A motion was made by Kozul to proceed with the Public Records Request discussed at the February meeting. It was seconded by Petersen.
